Re: *United States v. Lawrence McAfee*, 18 Cr. 425 (JFK)

Dear Judge Keenan,

The Government, joined by the defense, writes to request an adjournment of Wednesday's conference in this case for approximately two weeks.

Today, the Government was informed, via phone, by Dr. Hersberger that Dr. Hersberger does not presently agree with Dr. Goldsmith's assessment that the defendant "meet[s] all three of the legal criteria: A danger to himself, others, and property." The parties request to adjourn the conference to discuss this development and determine whether there is an agreement among the parties about the next steps in this matter.

The Government respectfully requests that the Court exclude time until the date of the next conference.

Very truly yours,

DAMIAN WILLIAMS
United States Attorney

In light of the parties' agreement, the Government's request is GRANTED. The conference scheduled for April 6, 2022, is adjourned to April 20, 2022, at 11:15 A.M. in Courtroom 20-C. The time between April 6 and April 20, 2022, is excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A). The Parties are directed to provide the Court with an update on Dr. Hersberger's assessment as soon as possible.

SO ORDERED.
